

2017 Adopt-a-Student for Back to School

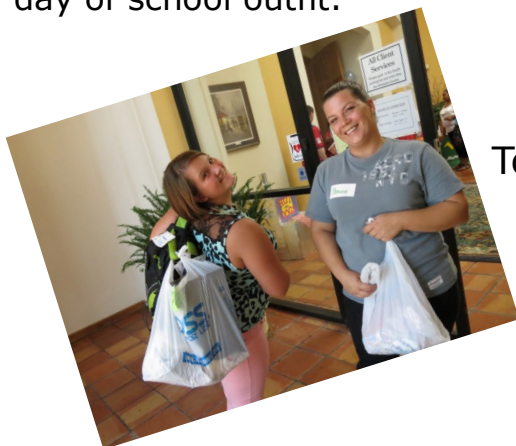

It is time once again for our Annual Adopt-a-Student for Back to School event! At this year's Back to School Party, we are hoping to provide the supplies needed for 35 children to have a successful school year. These children have a parent that is accessing needed services through our charitable medical clinic program or working to regain a sense of life and stability through our reentry program. The children are always appreciative and proud of their new supplies and school clothes.

If you and/or your organization, small group, co-workers, neighbors, family, etc. would like to participate in this year's Annual Adopt-a-Student for Back to School event, we are offering two options to choose from:

Option #1—Sponsor a student. Donate \$100.00 per student and we will take care of the shopping for you. Monetary donations are due to Cornerstone by **Wednesday, August 9th, 2017.** You can give on line at **www.canetwork.org** - choose 'Back to School' under the 'Designation' tab.

Option #2—Adopt a student. We will provide the child's clothing sizes and school supply list and you can do the shopping! Items are due in our office (3500 Noble Ave. Fort Worth, TX 76111) on or before **Wednesday, August 9th, 2017.** If you choose to adopt a student, we ask that you provide a new back pack, school supplies, a new pair of shoes and a first day of school outfit.

To sign up, contact Davita McWhorter at dmcwhorter@canetwork.org or 817-632-6018. We look forward to partnering with you to prepare the kids for a great 2017 school year!
