

Cornerstone Assistance Network - Core Values

FAITH

We are committed to **Jesus Christ and His lordship**. We submit ourselves and all of our activities to His will and good pleasure.

We are committed to **prayer**. We believe God desires his people to pray and that He hears and answers prayer when we humble ourselves before Him.

RELATIONSHIPS

We are committed to **people**, particularly to those who are in need.

We are committed to **the Christian church and other community organizations** that are called to serve the poor. As “servant-partners,” we affirm their role and responsibility for ministering to the poor and needy.

We are committed to a **holistic, relational approach to helping** those in need which empowers individuals rather than engenders dependency.

STEWARDSHIP

We are committed to **financial responsibility** and **godly stewardship**.

EXCELLENCE

We are committed to achieving and sustaining **excellence and quality** in all of our programs, services, and facilities.
